# Next Steps for Nurses

# What can I do next as:

## A beginner

- Start a personal learning folder
- Complete the palliAGED Introduction Modules and add the completion certificates to my learning folder.

## An intermediate learner

- Access palliAGED practice tools and resources for more tips and discuss these with my supervisor
- Complete the ELDAC personal learning assessment
- Do some online training e.g., PCC4U and The Advance Project (Dementia) for nurses.
- Use the palliAGEDnurse App.

#### An advanced learner

- Explore the palliAGED evidence and practice pages online
- Read CareSearch Clinical Evidence summaries
- · Make use of the ELDAC toolkits
- Sign up for online training such as:
  - Advance Project (Dementia)
  - caring@home
  - End-of-Life Essentials.

## What can my organisation do for:

## **Beginners**

- Order palliAGED Practice Tip Sheet booklets for all staff members as part of induction
- Ask to install palliAGED Introduction Modules onto the local LMS
- Print out palliAGED Tip Sheets for the staff room
- Discuss how the palliAGED Practice
  Tip Sheet topics overlap with the aged care standards.

#### Intermediate learners

- Promote online education including the National Palliative Care Program courses listed on the palliAGED website
- Use selected Tip sheets and modules to start discussions about local care issues
- Arrange for an onsite PEPA workshop.

### **Advanced learners**

- Promote the palliAGED evidence summaries and invite staff to contribute to policy development
- Promote the ELDAC toolkits
- Use the CareSearch guide to establish a journal club to build knowledge
- Discuss options for further education with staff
- Arrange for Reverse PEPA placements.
