

1

Providing evidence-based practical guidance

- **21** new palliative care topics added
- **14,000+** direct care providers supported through Practice Tip Sheets and other resources
- Supporting other projects and initiatives such as 2019 RACGP Silverbook, ELDAC Toolkits, and The Advance Project with our referenced evidence
- Consolidation of resources for aged care into a single site

2

Supporting education and continuing professional development

- Support for Improving Practice across 38 topics, including informal learning opportunities
- Curated collection of Training and Education courses for aged care

3

Enabling sector understanding and response to key issues

- Developing the palliAGED Palliative Care and COVID-19 pages
- In Focus, outlining resources and best practice evidence to support application of the Aged Care Standards
- Updated sections on Australian Context, Royal Commission into Aged Care Quality and Safety, and key reports and policies

- **15,000+** web visitors/month
- **4,000+** newsletter subscribers
- **20,000** single Practice Tip Sheets downloads
- **4,000 visits and 10,000 views** for In Focus: Aged Care Standards series
- **Contribution** to the Royal Commission on Aged Care Quality and Safety

In 2020-2023, we will:

1

Continue to provide current and readily accessible evidence to guide palliative care practice in aged care.

2

Work with the aged care sector in providing palliative care practice in line with the Aged Care Quality Standards and concerns identified through the Royal Commission into Aged Care Quality and Safety

3

Continue consolidation of resources to simplify the pathway to best practice
